

Children's Continence Care Pathway

Child presents with bladder/bowel problem

Notes:
 The children's continence nurse will refer on to whichever service the child may need, such as paediatrics, psychology, CAMHS, dietician and the Regional children's urology services and gastroenterology.
 If appropriate all children will undergo level 1 assessment and management prior to referral to Children's Continence Nurse (level 2)
 Assessment and management will follow relevant NICE Guidelines and Quality Standards (Qs)
 All healthcare professionals to be aware of safeguarding issues and follow local policies and procedures
