Supporting bladder and bowel
health **for everyone**

Healthcare professional symposium

Thursday 7th March 2024 | Bolton Arena, Horwich

Supporting bladder and bowel health **for everyone**

With thanks
to our **sponsors**

Welcome

Whether you're one of our dedicated delegates, a renowned company representative, or a special sponsor partner, it's a pleasure to welcome you to the **North West Symposium in Bolton**.

As always, we have a spectacular line-up of exciting topics to choose from. A huge thank you to our expert speakers for taking to the podium and sharing their wealth of experience, insight, and knowledge.

Many thanks to **Coloplast, TENA and iMEDicare** for their sponsorship and continued support, and not forgetting our exhibiting partners who help bring the event to life. The bustling exhibition hall will feature the latest developments in the field of continence and bladder and bowel health.

We are very grateful to everyone joining us here today your involvement makes this symposium possible and valuable for all.

Special guests Ontex and the Bladder, Bowel and Pelvic Health team from Lewisham and Greenwich NHS Trust will be joining us in the Arena Suite to discuss their success at the Bladder & Bowel UK Awards 2023. Many thanks to all who entered the awards and congratulations to the winners! The independent judges, comprised of clinicians and service users, said the entries were all of a very high standard. We are delighted to announce that the 2024 **Bladder & Bowel UK awards are now open** for submissions, with more information on the next page.

Please fill out your feedback form and return it to us at the reception desk at the end of the day in exchange for your certificate of attendance. As we plan the exciting new line-up of expert speakers and interesting topics for **our next symposium in Coventry this September**, we will continue taking your valuable feedback into account.

We hope you find the day interesting and inspiring.

Karen Irwin

Bladder & Bowel UK Awards 2024

The Bladder & Bowel UK Awards are now in their third year of recognising excellence in bladder and/or bowel health.

The Product Innovation Award recognises design-led solutions to the real needs of people with bladder and/or bowel issues. **The Clinical Excellence Award** celebrates outstanding bladder and/or bowel healthcare.

The 2024 Bladder & Bowel UK Awards are now open for submissions online.

The closing date is 31st May 2024.

Judging takes place June – July and the winners will be announced at the start of August 2024.

Congratulations to the 2023 award winners
