

Be at the **centre** of better bladder & bowel care.

Midlands National Symposium 2026

CBS Arena,
Coventry, CV6 6GE
23rd Sept 2026

More marketing Better exhibition space Greater opportunities

On 23rd September 2026, the UK's leading continence experts will gather to engage in crucial discussions about bladder and bowel care.

Now in its sixth year, the Midlands Symposium has become a significant event in the continence calendar, attracting hundreds of delegates from across the country in both the adult and paediatric sectors.

Your support enables Bladder & Bowel UK to keep delegate ticket prices affordable whilst maximising our marketing opportunities and utilising the prime exhibition space exclusively for our sponsors.

This year marks our 30th anniversary, and to truly celebrate, we have a much larger exhibition hall and speaker rooms than in previous years. Allowing for more delegates, more exhibitors, and the option to bring larger exhibition stands.

**Celebrating
30 years of
bladder & bowel
care.**

Premium Sponsorship

£5,000 – 2x available

- Single or double table top exhibition space, or exhibition space for your own branded stand.
- Printed programme: Logo and 'Supported by...' on the inside page.
- Printed programme: Half-page advert.
- Logo included in the symposium promotional mailouts. (5000+ HCP audience with 10+ mailouts scheduled)
- Company info and link on the symposium webpage. (Visited 7000+ times over six months)
- 3x inserts and/or samples in the delegate bag. (150+ delegates in attendance)
- Logo and thanks in post-event email. (5000+ HCP audience).
- Logo included on supporter slides (presentation) shown between the educational talks.
- Social media inclusion.
- Bladder & Bowel UK supporter badge for your website.
- Electricity included.

As a premium sponsor, you have the option to bring a much larger stand. Speak to the team to discuss how much space you require.

Exhibitors needing to build their stand will have access to the exhibition hall the day before (22nd Sept) between 3pm and 6pm. And on exhibition day (23rd Sept), between 6am and 8pm.
